Due to shared food preparation and cooking areas, it is possible for menu items to inadvertently come into contact with a food allergen from another menu item or food preparation materials. While we do take great care to try and prevent the presence of allergens in your menu item, we are not able to guarantee that your menu item has not come in contact with potential allergens. Please speak with a member of management staff if you have special dietary needs or specific food allergies.

2,000 calories a day is used for general nutritional advice, but calorie needs vary. Additional nutritional information is available upon request.

INFORM YOUR SERVER IF YOU HAVE A FOOD ALLERGY BEFORE PLACING YOUR ORDER. We rely on suppliers for accurate information. Variations may occur due to differences in suppliers, ingredient substitutions and recipe changes. As our operations involve shared preparation/cooking areas, accidental cross contact may occur. We cannot eliminate the risk of cross contact or guarantee that any item is allergen-free. If you have a severe allergy you are at a much greater risk of a serious reaction. Decisions as to the precautions you take, or risks you may expose yourself to, should be made in consultation with your doctor.
